AMGEN ANNOUNCED AS MEN'S IRISH OPEN TITLE SPONSOR

Amgen (NASDAQ:AMGN) recently announced it will serve as the title sponsor of the Irish Open starting in 2024, following the acquisition of Horizon Therapeutics plc in October 2023. Horizon Therapeutics, a leading Irish company, began sponsoring the tournament in 2022 as part of a multi-year commitment to the Irish community.

The 2024 Amgen Irish Open, part of the DP World Tour, will take place at the Royal County Down Golf Club in Northern Ireland from Sept. 11-15, 2024. Amgen will also become a partner to the KPMG Women's Irish Open.

Irish professional golfers Shane Lowry, Pádraig Harrington, Séamus Power and Brendan Lawlor served as golf ambassadors on behalf of Horizon Therapeutics, and they will now become Amgen golf ambassadors, wearing the Amgen logo while in competition.

"Sponsorship of the Amgen Irish Open marks an important milestone in Amgen's 25-year history in Ireland, and today's announcement further demonstrates our commitment to the communities where our people live and work," said Robert A. Bradway, chairman and chief executive officer at Amgen.

"We are especially pleased to sponsor the Amgen Irish Open, recognizing that the tournament contributes significantly to the Irish economy, and is a source of national pride."

Amgen established a commercial presence in Ireland in 1998, and in 2011 it acquired a manufacturing facility in Dun Laoghaire, which it has since developed and upgraded with \$1 billion in additional investment.

Today Amgen employs approximately 1,250 people in Ireland. Irish patient organizations supported by Amgen include the Irish Osteoporosis Society, Multiple Myeloma Ireland and CROÍ, a charity to prevent heart disease and stroke. Award-winning biology education programs sponsored by the Amgen Foundation have reached 500 science teachers and nearly 60,000 students across Ireland.

McILROY CONFIRMED FOR AMGEN IRISH OPEN

Royal County Down

Rory McIlroy will tee it up on home soil later this year after confirming his appearance at September's Amgen Irish Open at Royal County Down. Royal County Down will host the Amgen Irish Open for the second time in its history from September 12-15 as the island of Ireland's national open returns to Newcastle for the first time since 2015.

Four-time Major Champion McIlroy, who last year claimed his fifth Race to Dubai title after topping the season-long standings, will return to his home County where he honed his skills as a junior and to the venue where he represented Great Britain & Ireland at the 2007 Walker Cup.

The Northern Irishman grew up in Holywood, less than an hour from the prestigious venue, and he will bid for a second Irish Open crown after claiming victory at The K Club in 2016.

"Since making my first appearance at the Irish Open nearly 20 years ago, it has been such a special tournament to play in, but it will be doubly so for me this time round," said McIlroy.

"I'm incredibly excited to have the opportunity play in this year's Irish Open at a venue so close to home. Royal County Down is a fantastic venue and I still have some great memories from the 2007 Walker Cup.

"The crowds are always so supportive of all the Irish golfers taking part and the atmosphere is unlike any other we have at a golf tournament. Time and time again the fans prove that they are some of the best in the world and I can't wait to see them out in support of us again."

McIlroy has started his 2024 season in fine fashion, finishing runner-up in his first start of the year at the Dubai Invitational and then successfully defended his Hero Dubai Desert Classic title, winning the tournament for a record fourth time.

The 34-year-old will join fellow former Irish Open winner, Major Champion and Ryder Cup star Shane Lowry in the event which assumes a key position on the DP World Tour's 2024 Global Schedule as part of the 'Back 9'.

The 'Back 9' encompasses nine of the Tour's most historic tournaments and national opens, running from August to October and will give members their final opportunities to secure their playing rights for 2025 and also advance to the season-ending 'DP World Tour Play-Offs'.

Last year, Sweden's Vincent Norrman claimed his second DP World Tour title as he fired a final round 65 at The K Club to win by one stroke, to secure his second victory in the space of just six worldwide starts.

First played in 1927, the Irish Open is one of the world's most celebrated national opens, with a list of former champions that includes Seve Ballesteros, Nick Faldo, Pádraig Harrington, Shane Lowry, Colin Montgomerie, José María Olazábal, Bernhard Langer and Sam Torrance.

Tickets are selling fast for next year's event and fans are urged to act now to avoid disappointment. In addition to General Admission, limited Premium Experience options are still available with The Ballroom and Green on 18 packages. Ticket+ options are also available for purchase.

KILLARNEY TO HOST PRESTIGIOUS EUROPEAN TEAM CHAMPIONSHIPS

Killarney Golf & Fishing Club

Killarney Golf & Fishing Club has been confirmed as the host of the 2025 European Amateur Team Championship. Golf Ireland was awarded the event by the European Golf Association following a detailed bidding process.

16 teams will compete for the premier men's amateur team event in Europe, which will take place on the Killeen Course between 8-12 July 2025, as Killarney celebrates the 50th anniversary of their last hosting of this event.

The Killeen Course has previously hosted four European Tour events, with the Irish Opens in 1991, 1992, 2010 and 2011, along with the 1996 Curtis Cup.

Ireland had an historic double last year when Alison Taylor (Malahide) and Eddie McCormack (Galway Bay) were victorious in the European Senior Ladies' and Men's Championship in Douglas.

In 2007 the Irish trio of Rory McIlroy, Shane Lowry and Jonathan Caldwell won Gold in the European Amateur Team Championship at Western Gailes. Meanwhile, Ireland landed a bronze medal last year and Golf Ireland CEO Mark Kennelly is excited to see the event return to the island next year.

"We are all looking forward to hosting these brilliant championships back in Ireland again in 2025," said Kennelly.

"It was great to see two Irish competitors picking up silverware in the senior championships last year and it will be interesting to see how our team can perform in the wonderful surrounds of Killarney."

Many of the world's best have competed in the European Amateur Team Championship over the years. Masters champion, Jon Rahm, was part of the Spanish team in 2014. Fellow Ryder Cup star, Bob McIntyre, represented Scotland two years later, while 2023 Amgen Irish Open winner, Vincent Norrman, teamed up with another Ryder Cup sensation, Ludvig Åberg, in 2019.

Killarney Golf & Fishing Club are overjoyed to announce that they will once again play host to the prestigious European Amateur Team Championship.

It returns for the first time since 1975 and will present a wonderful opportunity for the club to showcase their magnificent championship courses and practice facilities alongside the breathtaking backdrop.

"The prospect of witnessing the finest amateur golfers on our home turf is a source of excitement and delight for our members," said Killarney Golf & Fishing Club Captain John O'Mahony.

"We look forward to working closely with everyone involved to make the event a huge success for the club, the historic town of Killarney, and for golf in Ireland.

"We have no doubt that the world-class accommodation, exceptional restaurants, and the famous Irish welcome are perfectly poised to provide an unforgettable experience for participants and spectators alike."

QUINTA DO LAGO HOSTS WORLD'S FIRST EDGA PLAYER DEVELOPMENT CAMP

Quinta do Lago South Course

Home to three 18-hole championship golf courses – the North, South and Laranjal – Quinta do Lago has a rich history in helping to develop the talent of tomorrow. On eight separate occasions – including in 2023 and 2022 – the resort has played host to the Justin Rose Telegraph Junior Golf Championship.

Quinta do Lago is also home to the only Paul McGinley Golf Academy in the world, founded in October 2011 by Europe's victorious 2014 Ryder Cup captain. With a strong involvement from McGinley himself, who is a regular visitor to the resort, the academy aims to cultivate and improve golfers' play by providing them with the tools and techniques used on the professional Tours.

Sean Moriarty, CEO of Quinta do Lago, said: "When EDGA reached out to us regarding hosting the Player Development Camp, we were more than happy to help.

"With three 18-hole championship courses and state-of-the-art practice facilities, Quinta do Lago is ideally set up for training camps for all golfers. We hope all those who attended enjoyed the week and will be sure to keep an eye out to see how their careers within the game develop."

Launched in 2022 by the European Tour Golf and EDGA, the G4D Tour sees golfers with a disability compete on the same course during the same week as the DP World Tour.

As well as attracting golfers, the world-class performance hub, The Campus, is a popular venue for top athletes and sports teams from all over the world. The premier multi-sports facility welcomes residents and guests of Quinta do Lago to enjoy a lifestyle of health, fitness and wellness, and includes a high-performance gym, tennis and padel courts, swimming pool, cycling, group classes and personal training, recovery suites and sports rehabilitation.

Alongside an unparalleled sport offering, guests staying in the 2,000-acre Algarve resort can enjoy 14 first-class bars and restaurants or discover the picturesque Magnolia Hotel. Blessed with the backdrop of one of Europe's most beautiful natural regions, Quinta do Lago offers the perfect place to soak in golden sands and sapphire seas, with facilities for every need close at hand.

www.quintadolago.com for details

Quinta do Lago has played host to the first ever EDGA Player Development Camp, an initiative created by EDGA to help prepare potential future G4D Tour players. Held from January 21 to 25, 12 emerging talents in golf for the disabled (G4D) were able to experience the Portuguese sports and lifestyle resort's excellent training facilities and golf courses as they were joined by specialists to help them envision what it takes to become a G4D Tour player.

The 12-player group – made up of golfers from ten countries who have yet to play in a G4D Tour or EDGA Professional Tour event – learnt from coaches, nutritionists, performance experts and marketers as they took part in an intense week of learning.

Those who took part in the camp are the latest in a long-line of aspiring golfers hoping to launch their careers at Quinta do Lago.

McILROY WINS FOURTH HERO DUBAI DESERT CLASSIC

Rory McIlroy won a record-breaking fourth Hero Dubai Desert Classic as he successfully defended his title on a dramatic afternoon at Emirates Golf Club.

The Northern Irishman claimed a maiden Rolex Series crown at this event 12 months previously but came into the weekend ten shots back before a stunning third-round 63 put him into the final group on the Sunday. He then turned a two-shot deficit into a four-shot lead with six holes to play before a bogey on the 13th gave the chasing Adrian Meronk and Cameron Young a glimmer of hope.

Pole Meronk cut the lead to one as he signed for a 71 but McIlroy held his nerve down the stretch and carded a 70 for a 14 under par total and a one-shot win.

American Young finished with a 74 to sit at 12 under, two shots clear of Canadian Aaron Cockerill, Spaniard Pablo Larrazábal and Chilean Joaquin Niemann.

The win takes McIlroy past Ernie Els' hat-trick of Desert Classic victories and hands him his third Rolex Series triumph, having won three of the last five blue riband events.

He also becomes just the second player to successfully defend this title after Stephen Gallacher lifted the Dallah Trophy in 2013 and 2014 and makes it six wins in Dubai with his two victories at the DP World Tour Championship.

"It's a great start to the season," he said. "I started well last year with the win here. A couple of little things still to work on but these weeks are great. You learn a ton from them and obviously great to get the competition and come out on top as well.

"I thought on Friday night, I thought ten under for the weekend, I would have a really good chance to win. I shot 11 and ended up winning by one.

"I've played the game long enough to sort of know how these things are going to go. Thankfully I played the golf I needed to and it's just incredible to get my fourth win here at the Emirates.

"The pivotal point for me came on the eighth and ninth hole - making two threes there, that sort of set me up to try to control it on the way in.

"I made that one blunder on 13 and made bogey there but felt like I steadied the ship well over the last few holes and it was one of those days where there wasn't a ton of fireworks just because the course was so difficult. I held on as best as I could and thankfully no one around the top of the leaderboard made much of a run."

McIlroy drove the 351-yard par-four second and got down in two to sit one behind overnight leader Young, with Meronk also moving to 13 under with the help of a stunning bunker shot on the par-five third.

Young missed a five-footer as he failed to get up and down from the sand on the fourth to make it a three-way tie but McIlroy would soon lead alone as his rivals faltered.

Young had a stroke of bad luck as his drive at the sixth clipped a person down the side of the fairway and ended up next to a tree, causing him to play out left-handed and drop a shot, while Meronk chipped into the water on the seventh and made a double-bogey.

That left McIlroy one ahead and he put his foot down, holing a huge right-to-lefter from 31 feet at the eighth and a 16-foot putt on the ninth to lead by three at the turn.

The advantage was briefly trimmed as Young got up and down from the sand at the par-five tenth but he missed the green at the next two holes and a pair of missed par putts from inside six feet put McIlroy four ahead.

Meronk had missed a short par putt after finding sand on the ninth but hit back with an up-and-down after another excellent bunker shot on the tenth and a two-putt birdie from the fringe at the 13th.

Back down the par-five, McIlroy was in the trees after going a long way left off the tee and as he made a bogey, Meronk put an approach to four feet at the 14th and cut the lead to one.

It was back to two after Meronk found nasty rough with his first and second on the 16th, a hole where McIlroy made a brilliant par save after sending his drive into the waste area and Young holed a 25-footer to rejoin Meronk in second.

Meronk then made a two-putt gain on the last and while that was not enough for the win, it did give him solo second as Young finished bogey-birdie, with McIlroy paring the last for the title with the minimum of fuss.

“ I held on as best as I could and thankfully no one around the top of the leaderboard made much of a run ”
- Rory McIlroy

AMATEUR GOLF 2024

Significant changes to the AIG Irish Women's and Girls' Close Championships, Mid-Amateur championships at national and regional level, and a return to the traditional format of the West of Ireland Amateur Open Championship are among the highlights of the 2024 championship programme in Ireland.

Golf Ireland will also reintroduce the Irish Boys' and Irish Girls' Amateur Open Championships as stand-alone events in 2024, with Flogas extending their sponsorship to include these events as well as their continued support of the Irish Men's and Women's Amateur Open Championships.

Following a detailed process, Golf Ireland will stage three Women's and Girls' competitions over a four-day period in a new 'AIG Irish Women's and Girls' Amateur Close Championship week' which will take place from 30 July to 2 August in Roscommon Golf Club.

On Days 1 and 2, there will be two 36-hole stroke play championships – the AIG Irish Girls' Amateur Close Stroke Play Championship and the AIG Irish Over-18 Women's Amateur Close Stroke Play Championship.

The winners of each will be crowned AIG Close Stroke Play Champion in their respective category, with the top-12 scores across both of those championships joining four exempt players based on WAGR positions in the AIG Irish Women's Amateur Close Championship on Days 3 and 4, which will consist of four rounds of match play.

Exemptions will only be given to players who have entered the Close but who are competing in the European Ladies' Amateur Championship the previous weekend, and where fewer than four exemptions are extended, additional places will go to players based on scores on the first two days of the AIG Close Championship week.

In addition, the next 16 best scores in the AIG Irish Girls' Amateur Close Championship on Days 1 and 2 will contest the Irish Girls' Amateur Plate on Days 3 and 4. Likewise, the next 16 best scores in the AIG Irish Over-18 Women's Amateur Close Championship will contest the Irish Women's Amateur Plate on Days 3 and 4.

County Sligo Golf Links

Another key change for 2024 is the reduction of the lower age limit for Men's Mid-Amateur Championships to 25. This is being done in response to the introduction by the European Golf Association of a European Mid-Amateur Team Championship for Men and Women; however, there will be a proviso in the regulations to ensure that at least 75% of the field in Mid-Amateur Championships going forward will be from the previously-eligible pool of over-30s.

The Irish Women's Mid-Amateur Championship will remain open to any female players over-18 years of age, consistent with the over-18 championships at Regional level.

The ISPS Handa Irish Open for Players with a Disability will be once again played at Roganstown, but with both Roganstown and Swords Open courses playing host to different categories within the event, which will be open to an expanded field.

The West of Ireland Men's Amateur Open Championship at County Sligo will return to its familiar format of 36 holes qualifying followed by six rounds of knockout match play contested by the leading 64 players. The traditional format returns as a result of a review by the Championship Committee following a two-year trial of an alternative format of 54 holes stroke play with 16 qualifying for match play.

County Sligo will also be hosting the Flogas Irish Men's Amateur Open Championship on 9-12 May. An added carrot for this year's event will be a Challenge Tour start in the Irish Challenge at the K Club in early August for the winner of the Championship, and for the leading Irish player if an overseas player wins the title.

The Flogas Irish Women's Amateur Open Championship takes place in Woodbrook once again, but on the new date of 15-17 June in an attempt to capitalize on the large influx of overseas players in Ireland for the Women's Amateur Championship, which takes place in Portmarnock the following week.

THE MASTERS 2024

A world-class line-up will descend on Augusta National in Georgia, USA for a mouth-watering contest from April 11-14.

Augusta National

The first "Augusta National Invitational" Tournament, as the Masters was originally known commenced in 1934, and was won by Horton Smith, who took the first prize of \$1,500.

The Big Three of Arnold Palmer, Gary Player, and Jack Nicklaus dominated the Masters from 1960 through 1978, winning the event 11 times among them during that span. After winning by one stroke in 1958, Palmer won by one stroke again in 1960 in memorable circumstances. Trailing Ken Venturi by one shot in the 1960 event, Palmer made birdies on the last two holes to prevail. Palmer would go on to win another two Masters in 1962 and 1964.

Jack Nicklaus emerged in the early 1960's, and served as a rival to the popular Palmer. Nicklaus won his first green jacket in 1963, defeating Tony Lema by one stroke. Two years later, he shot a then-course record of 271 (17 under par) for his second Masters win, leading Bobby Jones to say that Nicklaus played "a game with which I am not familiar."

The next year, Nicklaus won his third green jacket in a grueling 18-hole play-off against Tommy Jacobs and Gay Brewer. This made Nicklaus the first player to win consecutive Masters. He won again in 1972 by three strokes. In 1975, Nicklaus won by one stroke in a close contest with Tom Weiskopf and Johnny Miller.

Gary Player became the first non-American to win the Masters in 1961, beating Palmer, the defending champion. In 1974, he won again by two strokes.

Non-Americans collected 11 victories in 20 years in the 1980s and 1990s, by far the strongest run they have had in any of the three majors played in the United States since the early days of the U.S. Open. The first European to win the Masters was Seve Ballesteros in 1980. Nicklaus became the oldest player to win the Masters in 1986 when

he won for the sixth time at age 46. Other European winners during that golden era included Nick Faldo, Jose Maria Olazabal, Bernhard Langer, Ian Woosnam and Sandy Lyle.

At age 21 in 1997, Tiger Woods won the Masters by twelve shots and broke the 72-hole record that had stood for 32 years. Woods completed his "Tiger Slam" by winning his fourth straight major championship at the Masters in 2001. He won again the following year, making him only the third player in history to win the tournament in consecutive years, as well as in 2005 when he defeated Chris DiMarco in a playoff for his first major championship win in almost three years.

The 2003 tournament was won by Mike Weir, who became the first Canadian to win a men's major championship, and the first left-hander to win the Masters. The following year, another left-hander, Phil Mickelson, won his first major championship by making a birdie on the final hole to beat Ernie Els by a stroke. Mickelson also won the tournament in 2006 and 2010.

In 2011, the tournament was won by South African Charl Schwartzel, who birdied the final four holes to win by two strokes. In 2012, Bubba Watson won the tournament on the second play-off hole. Watson's win marked the fifth time that a left-hander won the Masters in the previous ten tournaments. Prior to 2003, no left-hander had ever won the Masters. The 2013 Masters was won by Adam Scott, the first Australian to win the tournament after many attempts from the great Greg Norman. Watson won the 2014 Masters by three strokes over Jordan Spieth and Jonas Blixt. It was his second Masters victory in three years. In 2015, Spieth would become the second-youngest winner in just his second Masters and twelve months later Sergio Garcia would claim his only Major to date.

In 2019 Tiger Woods won his fifth Green Jacket, and fifteenth major, by one stroke ahead of three runners-up. It left him one shy of Jack Nicklaus' record six Masters win, and three short of his record eighteen major wins. At age 43 he became the second oldest winner, again only bettered by Nicklaus who won at age 46. There was no Masters in 2020 due to Covid-19 while the recent winners have come from Dustin Johnson, Hideki Matsuyama, Scottie Scheffler and Jon Rahm.

In what promises to be a fascinating spectacle over the four days there are high hopes that Rory McIlroy despite many disappointments can be a contender. While he has never delivered at Augusta there is no doubt the game is in place to at some point wear the famous jacket. You can also expect a strong showing from 2019 Open Champion Shane Lowry. Keep a watch also for Viktor Hovland, Brooks Koepka and Jordan Spieth as some of the favourites to emerge with the coveted green jacket.

THE ALGARVE 2024

As the southernmost region of Portugal, The Algarve is known for all year round sunshine and beautiful, sandy beaches and of course stunning Golf.

Late Autumn to early Spring is the best time to visit this coastal region for golf although there are many who understandably like to combine their favourite sporting activity early in the morning of a hot summer's day before indulging in some sun bathing. Sounds good, really good, when you think about it!

With over 3,000 hours of sun a year or 300 days of sunshine, the climate in the Algarve makes it a favourite holiday destination. Take into account Algarve's mild climate, reasonably priced restaurants, bars and accommodation, charming seaside towns, lively nightlife and it is easy to see why the Algarve makes a perfect base for a holiday. The Algarve benefits from natural reserves and national parks making it a haven for zealous walkers and those interested in outdoor pursuits.

INTRODUCTION

When considering golf in the Algarve, it is key to note that it is the southernmost region of Portugal and the most western point of Europe so we again draw the reader's attention to its agreeable climate, perfect for golfing enthusiasts and challenging courses.

Voted the World's Best Golfing Destination several times by the IAGTO (International Association of Golf Tour Operators), the Algarve has become the destination of choice for golf lovers.

From the outset, courses in the Algarve were singled-out by 'Rheingold' and 'Golf Digest' Magazines, which ranked the San Lorenzo Course and Vilamoura Old Course among the top 100 golf courses in the world.

Golf courses in the Algarve are blessed with a well-preserved natural setting, which allows you to play all year round on internationally recognised courses, where the high quality of their facilities and course design is acknowledged by top professionals and legendary champions.

Among the factors that make the Algarve a top golfing destination are its environmental setting, quality courses, accessibility and professionally-run transport systems plus the entire infrastructure that goes into supporting them. There is a network of hotels, transfers and even the airlines themselves that make access easy and contribute to a pleasant and appealing stay.

VILAMOURA : A PARADISE IN SHADES OF GREEN

Few will dispute that there is any region of its size anywhere in the world to measure up to the amazing quality of golf available at Vilamoura. And it's no surprise that it continues to attract major professional and amateur tournaments – much to the delight of players, officials, spectators and media.

The accommodation, the restaurants and bars, the marina, the value, the weather and above all the courses, what golfer could ask for more?

Occupying a privileged location in Portugal, Vilamoura is regarded as a unique European golfing venue. With five 18-hole courses, each of outstanding design and with different levels of difficulty, as well as an elite Golf Academy, Vilamoura tests the skill of professional players to the utmost and provides an exciting challenge for golfing enthusiasts. The Old Course is one of the most well-known and acclaimed courses in

Europe, its exacting fairways demanding precision owing to the forests of umbrella pine which surround them.

The Pinhal Golf Course, flanked by a magnificent pine forest, has small greens that require the highest degree of accuracy. The Laguna Golf Course is an open course, embellished by waterfalls and the Millenium Golf Course, one of the most beautiful courses built in Portugal, combine to form an 18-hole course.

The Victoria Clube de Golfe, with its lakes and waterfalls that make it a genuine hymn to nature, and where major golfing competitions take place, such as the Algarve World Cup and the Portugal Masters, completes the list of golfing options in Vilamoura. This investment in quality has been rewarded with the chance to hold many tournaments there each year. The Taça do Presidente (President's Cup), the Grande Troféu de Vilamoura (Vilamoura Grand Trophy) and the Expresso/ BPI Golf Cup are the examples most widely praised by amateur players and leading professionals alike.

It boasts many outstanding golf holes, notably the sporting par 5, 17th where the professionals are tempted to go for the green in search of a precious birdie but all too often plunge into the lake fronting the green. The 18th is a tremendous par four with water all the way up the left and craftily placed bunkers threatening the overly careful tee shot on the right. Pádraig Harrington chipped and putted both for a crucial birdie and par on the way to victory in 2016.

When it comes to considering accommodation with easy access to golf and Algarve beaches, Hilton Vilamoura As Cascatas Golf Resort & Spa is well-recommended. Set amid five acres of landscaped gardens, the resort is adjacent to the prestigious Dom Pedro Pinhal Golf Course. Central Vilamoura is a kilometre from the door, and a free shuttle covers Vilamoura Marina and Falesia private beach.

Also included is the prestigious 7 Seven Spa, the second largest of its kind in Europe where relaxing and tranquility are first and foremost.

In the heart of the Algarve you will find Vilamoura Garden Hotel. This boutique 4-star hotel is the perfect accommodation choice for those looking to experience the beaches, nature, hospitality and golf in southern Portugal. Located just a 12-minute walk from the beach and in close proximity to some of the best golf courses in Europe there is plenty to explore.

WESTERN ALGARVE

Framed by a valley that zigzags through steep slopes, the Golf Santo António at Parque da Floresta - is an impressive arena that has already been the stage for Europro Tour events.

“ When it comes to considering accommodation with easy access to golf and Algarve beaches, Hilton Vilamoura As Cascatas Golf Resort & Spa is well-recommended ”

Also in this town, at the Monte Rei Golf & Country Club, you are surrounded by a stunning landscape and immersed in total tranquillity.

At Castro Marim, the Castro Marim Golfe and Country Club and the Quinta do Vale Golf Resort provide a thrilling challenge within a natural environment, unique for its panoramic views of the Guadiana River.

CENTRAL ALGARVE

Quinta do Lago is nestled within the Algarve and the privacy and security of the Ria Formosa nature reserve. A clean & safe destination, here, world-class golf - including the 17 million upgraded South Course - surrounds award-winning real estate, sublime restaurants, a premier sports hub, boutique hotel and golden sand beach. Quinta do Lago has been at the forefront of international golf since its creation.

The San Lorenzo Golf Club in the Ria Formosa has won many prizes, rightly being nominated as one of the best courses in Europe.

Another success story is the Vila Sol – Beach, Golf & Country Club in Vilamoura which only eight months after it opened hosted the Portugal Open for two years running.

Also well-known to the world of golf is the Vale do Lobo, in Almancil, which has played host to the Portuguese Open and the 'Skins Game'. The resort is the home of the two most difficult and stunning golf courses in Europe: the Ocean Golf Course and the Royal Golf Course, where the cliff top par three 16th hole is one of the world's most famous and most photographed settings for golf.

When deciding on accommodation in Quinta do Lago, consider Four Seasons Fairways, whose villas and luxury apartments blend Portuguese architecture with the landscape of its beautiful gardens.

ESPICHE GOLF: UNIQUE GOLFING EXPERIENCE IN THE WEST ALGARVE

The Western Algarve has long enjoyed a reputation for offering a more authentic taste of Portugal than the central region.

Although requiring a slightly longer drive from Faro airport, the Western Algarve is easily reachable thanks to the A22 motorway which runs the length of the coast, making Lagos and its golf courses within an hour's drive from the airport.

Located just a few minutes from the coast and the city of Lagos, in the picturesque and less touristic "barlavento" Algarve, Espiche Golf is a golf course that combines sport with contemplation and respect for the surrounding nature, taking advantage of being located in a nature reserve.

Espiche Golf provides an exceptional golfing experience in a beautiful natural environment. The architect Peter Sauerman designed the shape of the course to integrate harmoniously with the surrounding landscape, and with its maintenance a great concern is taken for preserving the natural ecosystem and unique reserve. Espiche Golf offers a challenging 18-hole course, par 72. Its lakes, streams and indigenous vegetation enrich and promote the biodiversity of this area and the exceptional view, surrounded by fields and vineyards, lurking on the horizon of the beautiful Serra de Monchique.

The course was the vision of Peter Thornton, a musician in the 70's and his friend Paul Langley, a property developer from London. From the start they could see the possibilities the land had to offer. Espiche Golf has given the local community an elegant, warm, friendly and sociable active hub with its award-winning clubhouse, restaurant and the

surrounding golf course that appears as if it has always been there, constructed by the hand of nature over time.

The greens and fairways of Espiche Golf course have been carefully placed to balance the dual demands of the golfer and the environment, with indigenous planting throughout creating a beautiful backdrop and some challenging obstacles.

The course requires careful thought along the 5862 metres (6411) yards from the back tees and a deft touch on the short game. Bunkers guard most greens whilst the greens themselves are large and undulating, requiring a soft hand with the putter. This is a shot-maker's course, where each hole poses a new challenge thanks to the variety of the layout. Golfers are pushed to take risks with their game with rich rewards for those who make the most of their golfing skills and who best judge the course.

Espiche Golf takes exceptional pride in its responsibility to its course maintenance and its history in environmental research. It is committed to an ongoing process of research and development for sustainability. Espiche Golf has been selected as a case study by the Portuguese Golf Federation and the UK's prestigious Sports Turf Research Institute (STRI). It is one of the annually visited courses in Europe for the winners of the prestigious "Golf Environment Awards" as an example of best management practices and for its unique integration of warm season grasses into the existing landscape. Espiche Golf is also a participating member on "GEO Foundation" OnCourse® program. Committed to continually improve in the areas of sustainability of nature, water, energy conservation, supply chain, pollution control and community. The commitment to maintaining natural resources is one that will allow Espiche Golf to continuously contribute to a sustainable future.

Espiche Golf Clubhouse won 3rd placing in "Golf Inc Magazine's" prestigious "Clubhouse of the Year" Architectural Award in 2015 – the first club outside the US to pick up this prestigious award.

The Clubhouse award was judged for its design integration into its environment and efficiency. Reference is also made to the choice of materials used for the building construction, its resource management and interior design. The exceptional location of the Clubhouse, situated on top of a hill overlooking the resort, offers breath-taking views across the golf course and the nature reserve. The views, coupled with the exceptional quality of the food available, makes the Clubhouse a reference for both lovers of golf and those who value the tranquility and beauty of nature itself.

I rented a car from them for 2 weeks on short notice and I can only agree with what other users have reported. If you look for a reliable, friendly and hassle-free car rental company in Faro you do not need to look any further. Personal and friendly service contact, no overcharging or trouble with extra insurances, direct car delivery and hand back at the airport terminal, free second driver, free child seat, new and clean car and they even provided two body boards for our kids to surf for free. It was really like renting a car from a friend. I can 100% recommend them.

The North Coast is world-renowned for its golf courses and the Roe Park Resort is perfectly placed for those intending to enjoy the nearby famous links courses.

Beyond the resort's highly acclaimed golf course, a first-class clubhouse is surrounded by excellent facilities including a recently upgraded Indoor Studio featuring the latest Trackman 4 Launch Monitor technology, allowing for a fantastic coaching and custom fitting experience. The Indoor Studio is also available for Simulator Play, with over 160 world class courses available for virtual golf for up to 4 golfers at a time.

The Roe Park Resort Golf Training Academy offers private or group lessons with PGA accredited professionals for golfers looking to improve their game. The Academy at the Roe Park Resort is a Northern Ireland-based centre of excellence designed to provide the best possible facilities to help golfers improve their game, whether you are an absolute beginner or more advanced.

The facilities at the Academy include an 18-bay driving range, golf shop, short game area and putting green, chipping, and bunker area.

Michael McCrudden, Golf Pro at the Roe Park Golf Course said, "We look forward to welcoming even more guests to the resort this year. The success of the Roe Park Golf Course and Golf Academy is a direct result of the emphasis that has been placed on our investments in the world-class facilities available at the resort.

"As well as our superb golf course and the powerhouse technologies that we have available in the Golf Academy, our proximity to the picturesque North Coast is a key factor in the success of the resort, as we are near to some of Ireland's most renowned links courses."

The resort launched a £1.7 million investment programme last year, which included the recent expansion of its weddings and events space, the Danny Boy Suite. As part of the

development programme, the hotel has also invested in the refurbishment of bedrooms and upgrading the hotel's technologies, as well as investing in state-of-the-art solar panels, making it one of a few hotels in Northern Ireland that will be powered with renewable energy.

The four-star Roe Park Resort in Limavady has also recently announced a £720K sustainability strategy investment, as it becomes a member of Green Tourism and works towards a target of net zero by 2050.

The resort has two superb restaurants, the Coach House Brasserie and The Courtyard. With an extensive menu on offer throughout the day, The Coach House Brasserie is the perfect location for a spot of lunch, a relaxed evening meal or a family occasion. The restaurant, which has views over the green, has been sympathetically restored in 18th Century Coach House style, adding to the traditional charm of the resort.

With its relaxing atmosphere and live music every Friday and Saturday night, O'Cahan's bar is the perfect spot if you are in the mood for an early evening cocktail or a nightcap.

Roe Park Resort's award-winning spa, offers a wide range of luxurious beauty therapies and treatment packages across 4 brands, including Elemis, OTO CBD Wellbeing, Natural Spa Factory & Made for Life Organics which caters for any client at any stage of their medical journey as well as those with limiting health issues.

As an official training academy for Elemis, the Roe Park Resort has invested heavily in modernising its Spa treatment facilities to offer visitors technologically advanced beauty and skin care treatments. The Spa also has a sauna, steam suite, heated pool and gymnasium for guests to enjoy some well-deserved indulgence.

GET INTO GOLF PROGRAMME

This year St. Helen's Bay Golf Club ran a Women's Get into Golf programme which was a Golf Ireland initiative designed specifically to introduce women to the game of golf. It was an 8-week programme which included four 1-hour weekly group tuition sessions with a PGA professional and four 2-hour weekly sessions of on-course tuition and practise with club mentors. On completion of the programme, participants were offered a reduced 6-month membership and almost 20 of the women joined the club. It is anticipated that most of the new members will continue into 2024 where a much reduced 12-month membership is being offered to participants in this programme. St. Helen's Bay are delighted to welcome so many new women to the club.

PGA TANKARD WINNER EILEEN WALSH

The PGA Tankard competition is run annually by the PGA where over 10,000 participants nationally take part. It is a three-stage competition where the club winner of the PGA tankard competition for both men and women go on to play in a second round competition with those qualifying from that round going on to play in the final. This year's PGA Tankard final was held in the K Club on 2nd October and the overall ladies winner was St. Helen's Bay's Eileen Walsh, who beat a strong field of competitors to take the title. Very well done Eileen – we're all very proud of you!

The Clubhouse Seaview Lounge at St. Helen's boasts one of the most impressive views in Ireland. The area enjoys a sunny climate where relaxation is the main theme enjoyed by all. 2024 we are introducing a new exciting menu – everyone welcome.

ROSSLARE GOLF CLUB - A TRUE LINKS EXPERIENCE. TWO COURSES – ONE DESTINATION

Rosslare Golf Links is the only true 'links' golf course in the Southeast of Ireland offering golfers of all abilities that unique links golfing experience.

Situated on the narrow, sandy peninsula at Rosslare, overlooking Wexford Harbour to the West and the Irish sea to the East, the club is home to two unique and challenging golf courses.

Founded in 1905, the Rosslare Golf Club initially began as a 9 hole course and in 1926 extended to 18 holes when the famous firm of Hawtree and Taylor, Golf Course Architects, was commissioned to design the 'new' 18 hole course. While changes and improvements were to follow down through the years, that original design by Hawtree & Taylor can be enjoyed today by the members and visitors playing the 'Old Course'.

The championship 'Old Course' is consistently rated in Ireland's top 100 courses and is fast becoming a must play course for golfing enthusiasts. As a traditional links, it uses the land's natural contours and coastal sand dunes to shape each hole as you play out the Burrow Peninsula and then turn back for home.

"They say a picture speaks a thousand words and, in this case, I could wax lyrical about the wonderful terrain and landscape but only scratch the surface of what a wonderful golfing experience this venue is.

"This golf course is a joy to play and experience. It requires a sensible strategic play with your tee shots to provide the best opportunity to hit the greens with an approach in regulation. The fairways are subtle, rippled and changing, cruelly so on occasion. That is the beauty of links golf. A full understanding of the swales and runs around the greens is also needed unless you are blessed with the chipping skills of a Shane Lowry or Graeme McDowell." - Andrew Picken, GolfShake.com

The 12 Hole 'Burrow Links' course is a Christy O'Connor Jnr designed executive course which is ideal for time-tied golfers while taking in some of the most scenic views of Wexford Harbour and Raven Point. However, it takes more than just a golf course to make a golf club, and Rosslare is a welcoming and social club. The Links Bar & Restaurant has a casual, laid-back atmosphere where members & visitors alike can enjoy some tasty food and a drink on the terrace after a round of golf.

Other facilities on offer to our visitors include a short game practice area, chipping green, putting green, and driving range. The club's head PGA professional, Jamie O'Sullivan, is always on hand in the pro shop.

Rosslare Golf Links is in peak condition and has the advantage of being playable all year round allowing us to host open competitions well into the 'winter' months. These include our ever-popular Wednesday Open Singles and our Open Singles / Fourball competitions on the weekends.

If your group or society is interested in adding a true links championship course to your calendar, then make sure to get in touch. We'd love to welcome you to Ireland's sunniest links.

To book your tee time visit www.rosslaregolf.com or for group & society enquiries phone 053 91 32203 or email office@rosslaregolf.com

CARROSSA HOTEL & SPA MALLORCA

Mallorca's ultimate stay-and-play golfing paradise is getting even better thanks to a five-night golf package at Carrossa Hotel & Spa..

New for 2024, the luxury resort has distilled the best of Mallorca's golf and lifestyle into one irresistible holiday – including a round at the renowned Club de Golf Alcanada, regarded among the best in Spain.

Designed by prolific architect Robert Trent Jones Jnr, Alcanada has recently featured on Sky Sports as host of the Rolex Challenge Tour Grand Final supported by The R&A in 2019, 2022 and 2023.

The par-72 layout is the island's only true coastal course, offering sweeping views out to the historic Alcanada Lighthouse and Mediterranean Sea as the route guides players through a challenging mixture of holes.

As well as Alcanada, the package includes one green fee per guest at Canyamel Golf and Capdepera Golf, both within a twenty-minute drive of the hotel's historic manor house. Canyamel, a picturesque par-73 layout set to a backdrop of sprawling mountains, was designed by renowned architect José Gancedo in 1988.

Meanwhile, Capdepera Golf is perhaps best known for its par-3 15th hole, continuously voted the most beautiful hole on the island.

Thanks to the unmissable package, golfers can also indulge in daily gourmet half board and take advantage of an exclusive 50% discount on Callaway or PING rental golf clubs to sweeten the deal. For the 2024 season, Carrossa have added 20 brand new sets of PING clubs to their offering - the renowned brand's G430 and G Le3 ranges for men and women, respectively.

With over 300 years of history, Carrossa is blessed with a secluded location overlooking the Mallorca countryside. Much of the original architecture has been preserved across generations of refurbishments – including the former stables, which are now home to several luxurious suites.

The grounds are now home to a world-class Spa run by highly skilled therapists, where guests can indulge in saunas, swimming pools and a steam bath as well as try a wide range of treatments.

From the comfort of poolside cabanas, guests are treated to sweeping panoramic views over the surrounding olive trees, across the bay of Alcudia and out to the Mediterranean Sea.

The resort also boasts a variety of culinary options, including fine dining at Restaurant Carrossa, the more relaxed Bistro Badia and the popular Bar Oro, which serves expertly crafted cocktails until late and is served by an on-site wine bodega.

The new package starts at €1,090pp and joins Carrossa's existing seven-night package - which also includes a round at Alcanada - and the popular four-night offering to complete a diverse line-up of packages guaranteed to have something for every group.

Carrossa has long been a firm favourite with golfers visiting Mallorca thanks to a strong line-up of venues in the area; must-play options also include the José María Olázabal-designed Pula Golf, which is also part of Carrossa's seven-night Premium Golf Package, and Son Servera Golf on the Eastern coast.
